

HOT OFF THE PRAIRIE LAKES PRESS! ANNOUNCEMENTS - Sunday, September 5, 2010

Welcome!

Visitors, please sign our guest book in the entry and stay following the service for conversation!

Prairie Lakes Unitarian Universalist Fellowship's services are presented by members, guest ministers or feature a guest speaker. Unitarian Universalists embrace the concept of freedom of the pulpit. Whether the service is minister- or lay-led, we seek to create a spiritual space and context in which diverse views and insights can be respectfully expressed, heard, and considered. We hope you enjoy today's service!

GREAT THINGS ARE HAPPENING!

~ **OSHKOSH RHYTHM INSTITUTE WELCOMED TODAY:** Nicole Roost coordinates today's intergenerational service featuring the Oshkosh Rhythm Institute. We hope you enjoy this uplifting time together this morning!

~ **FALL SPRUCE UP DAY:** All hands on deck for our Fall spruce up day next Saturday, September 11, from 9:00 a.m. to approximately noon. Bring just your cheerful self, or bring along garden or lawn tools you think might be useful. Gene Poortenga will be organizing the day's efforts; it would be helpful to know approximately how many helping hands will be available that day, so if possible, please give him a heads up that you plan to be there.

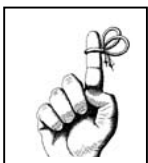

~ **ADULT BOOK DISCUSSION BEGINS:** Beginning next Sunday, September 12, we will be having a 10-week Adult RE Book Discussion after service. The book is A New Earth: Awakening to Your Life's Purpose by Eckhart Tolle. There are ten chapters in the book so each week we will be discussing a new chapter. If you are interested in joining, please come to the September 12 discussion having read the first chapter. If you can't make it to every discussion group, that's okay, just read to where we are in the book and come whenever you can. Contact Michelle Thomas if you have questions, 920.290.0201.

~ **INGATHERING AND PICNIC:** Thanks to all who helped put on and participated in last Sunday's creative Ingathering service and all-congregation picnic Ceresco Park. Both were extremely well-attended, fostering a combination of high spirits and community -- a great way to start the 2010-11 church year!

~ **MOVING HELP APPRECIATED:** Thanks to Brad and Nicole Roost who moved the dining room set last Sunday for Jean and Dave Conover (staying to help them with a few other projects too) and to the Kenyon-Cler household for providing the replacement table for RE use in the Fellowship House.

~ **PLUUF CROP WALK COORDINATOR NEEDED:** The Ripon-area CROP Walk for hunger relief will be held Sunday, October 10 and materials are now available. If you are willing to handle sign-ups for PLUUF walkers and collect pledge envelopes, please contact Marjorie. Thanks!

~ **20% PROJECT CONTINUES:** Our Fellowship donates 20% of each month's loose cash offering to nonprofit organizations doing good works in our surrounding communities, recognizing the importance of their work and keeping a commitment to social action central to our Sunday gatherings. Stay tuned for selection of September's recipient ...
